/ CURRENT PROJECT

>> CATCALLS OF AMS

Interactive map web application | Launch January 2021

App for initiatives fighting street harassment.

Main features: visualizing data, serve as a platform to report new catcalls and moderator verification.

A data solution for Catcalls of Ams, which is part of a global movement of 150 local initiatives.

STACK: NodeJs, Koa, MongoDB, GraphQL, React and Mapbox

/ EDUCATION

>> WEB DEVELOPMENT IMMERSIVE

CodeWorks | Berlin | Sept - Nov 2020

Challenging bootcamp (8 weeks a Mo-Sa 12h a day program) on advanced JavaScript, FE and BE frameworks to build full-stack apps.

>> THE WEB DEVELOPMENT BOOTCAMP

Udemy | Remote | April - June 2020

Supported my process in becoming a self-taught developer

>> MSC GEOGRAPHICAL INFORMATION SCIENCES

VU University | Amsterdam | 2018 - present

UNIGIS is a program for professionals working the field of GIS with topics such as Advanced GIS, database design, programming with GIS and geovisualization.

>> BSC FUTURE PLANET STUDIES

University of Amsterdam | Amsterdam | 2010-2014

Basically learning how to become 'bridge builder' between disciplines by offering an interdisciplinary perspective on global challenges of this time.

/ WORK EXPERIENCE

>> PROJECT MANAGER

Freelance | 2019

I.a. as a product owner at Fairchain Foundation.
Responsible for the development of a chocolate bar combined with blockchain tech. Worked together with UX/UI designers, campaign team and stakeholders such as UNDP.

>> FOOD SCOUT

D&B The Facility Group | Amsterdam | 2016 - 2018

Responsible for scouting, selecting and coaching of food entrepreneurs. Guided >100 through onboarding process. Developed and executed all intakes, schedules, trainings, audits and evaluations.

>> CO-FOUNDER

Kitchen Roulette | Amsterdam | 2015-2016

Startup with food as the main ingredient: events using a self-built algorithm. Responsible for launching a pilot with 11 events for a diverse audience. Coordinated a team of six, an intern and organizers in other cities.

>> BOARD MEMBER

Copekcabana | Amsterdam | 2016 - 2020

Future of community housing (living co-operative) reflected in a project for lower and middle incomes in Amsterdam North.
